

The Peoples Law Firm

Doing Business in The Republic of Trinidad and Tobago, Legal Series. INTRODUCTION

At Hove & Associates, Attorneys-at-Law, we pride ourselves on being one of the leading and most innovative Law Firms in the Republic of Trinidad and Tobago. The concerns of our clients are always paramount and it is for this reason we have embarked upon the “Doing Business in the Republic of Trinidad and Tobago” Series of Legal Articles.

During this series our Attorneys will be giving you a brief insight into the areas of law which from our professional experience, touches and concerns businesses and individuals wishing to establish themselves within our borders.

Our readers can look out for articles such as: Registering a Branch of a Company in Trinidad & Tobago, Registering a Trademark, Applying for a Work Permit; Purchasing Property and Enforcing Contracts; just to name a few. Please send us an Email, a Face Book Message or a Tweet should you desire us to cover a particular topic relevant to our current series.

You can look out for our first article which will be on Registering a Trademark in the Republic of Trinidad and Tobago.

As is the case with all of our legal articles we are obliged to give the standard disclaimer that these articles are **NOT!** Legal Advice, should you wish to get legal advice on any subject matter please consult a duly qualified Attorney-at-Law that specialises in the area of law you require advice on.
