We understand that your driving licence is often an essential part of your everyday life. It may be the case that your employment and family life depends on being able to drive. Therefore, if you have been caught or charged with driving without a seat belt, drink driving, speeding, careless driving or any other motor offence in Trinidad and Tobago, [contact Hove & Associates](#) straight away. This allows us to quickly and thoroughly assess the options that are available for your defence.

Being charged with a motor offence is stressful and not knowing what's happening with your case can add to this stress. Therefore our aim is to achieve a successful outcome in every case. This often can mean a complete acquittal, and sometimes it is expert mitigation, but we always fight relentlessly in our client's best interests.

Our attorneys are able to attend court hearings throughout Trinidad as we are based in Port of Spain. Therefore if you would like professional help and support from a qualified Attorney-at-law, please contact Hove & Associates Today.
